

I don't really get what's going on, but that sludge...

Is it trying to swallow Helck and the others?!

This has already far surpassed the level a single sorcerer can bear...

This has nothing to do with him being on the verge of death...

N...
No.

This guy wasn't Mikaros-

That's right...

This guy wasn't Mikaros.

When we arrived here,

"Mikaros" had long since been terminated.

*It is
the
Will of
the
World
itself.*

*This
guy is a
completely
different
existence
that
disguised
itself with
Mikaros's
skin.*

with
Mikaros
as a
medium...

So
you're
saying
the Will
material-
ized
itself

No
way...

No...

We've fought
against people
in contact
with the Will
of the World
time and time
again, but...

We never
experienced a
phenomenon
like this...!
